Our new urgent care service, Sequoyah Veterinary Urgent Care, is OPEN. This service is open from 4:30pm until midnight Monday through Friday and 10am to 10pm on weekends. We will have holiday hours as well. We are so excited to offer this to our KAC family! Please share this news with friends and neighbors, as this service is open to the Knoxville area community, providing a privately owned, privately built, urgent care resource. We are so proud to be able to bring this to our neighborhood.

Our general practice office hours will now start at 7:30am Mon through Friday for early patient check-ins before you start your workday. The extended evening hours also provide access after work for medication pick-ups and patient discharges.

Please welcome Drs. Sarah Duncan and Brittany Bible to our team! The urgent care team will focus on time sensitive emergencies that can't wait for the next day- vomiting, limping, ocular injuries, toxin exposure, trauma, wound care. We are here for you. Critical cases can be stabilized with us but may need to be referred for 24-hour care at a critical care facility.

Thank you for entrusting us with your pet's veterinary needs. Come by to check out the updates to the lobby and meet our growing nursing team. Please call us with any questions, concerns or high fives, at 865-584-1588, email us at [info@knoxvilleanimalclinic.com](mailto:info@knoxvilleanimalclinic.com) or contact us through our website.
